WRX
2025

For a world *discovered*

Born to thrill, bred to perform

Iconic. Legendary. Spine-tingling.
The Subaru WRX continues its
legacy of exhilarating performance
– delivering pure passion, precision,
and pulse-racing fun.

For over 30 years, the Subaru WRX has been more than a car. Rally-inspired with pure performance DNA, it has graced podiums, bedroom walls, and screens around the world. Now, the latest evolution pushes the limits even further. Equal parts performance machine and cultural icon, the Subaru WRX builds on this iconic heritage to deliver the next chapter in driver enjoyment.

From the bold, athletic stance of the WRX Sedan to the powerfully practical WRX Sportswagon, every variant fuses exhilarating performance with advanced safety and cutting-edge technology. And now, leading the lineup is the all-new Subaru WRX AWD tS Spec B – crafted for those who demand more from their performance car.

The rally-bred, Symmetrical All-Wheel Drive Subaru WRX range is unique, formidable, and uncompromising. With the pulse-quickening rumble of a 2.4-litre turbocharged Boxer engine, bold motorsport-inspired design, and enhanced driver assist technologies, the Subaru WRX delivers an adrenaline-charged driving experience.

Subaru WRX AWD RS & WRX Sportswagon AWD tS

Raw power accelerated

W R X. No three letters stir the same desire. And no Subaru generates the same type of fandom. So for the lovers of exhilaration, this one's for you.

Symmetrical AWD

2.4L Turbocharged Boxer Engine

Experience the raw exhilaration of Subaru WRX performance, where power, control, and precision come together in perfect symmetry. The Subaru WRX is powered by the 2.4-litre turbocharged Boxer engine, delivering 202 kW of power and 350 Nm of torque. Paired with Subaru's legendary Symmetrical All-Wheel Drive system, it offers outstanding stability, superior grip, and razor-sharp agility.

The thrill intensifies with the choice of a highly engaging 6-speed manual transmission¹ or the Subaru Performance Transmission², featuring an 8-speed Sport Lineartronic® transmission, Variable Torque Distribution, and Sports Shifting Control for true sports car acceleration and efficiency. For added driver control, paddle shifters³ deliver quick, manual gear changes right at your fingertips.

Selected variants feature Subaru Intelligent Drive (SI-Drive)⁴, offering a choice between Intelligent, Sport and Sport Sharp modes to adjust throttle response and acceleration characteristics. Meanwhile, Subaru WRX AWD tS, WRX AWD tS Spec B, and WRX Sportswagon AWD tS variants take performance even further with Drive Mode Select, allowing you to customise key vehicle dynamics including suspension firmness, steering response, and drivetrain settings for a sharper, more connected drive.

Underpinned by Subaru's highly rigid Global Platform and legendary Symmetrical All-Wheel Drive, the Subaru WRX delivers a confident, safe, and exhilarating driving experience.

1. Available on Subaru WRX AWD, WRX AWD RS, and WRX AWD tS Spec B. 2. Subaru Performance Transmission available on Sport Lineartronic® variants. 3. Paddle shifters available on Sport Lineartronic® variants. 4. Subaru Intelligent Drive (SI-Drive) not available on manual transmission variants.

Subaru WRX AWD tS Spec B

Animal magnetism

Born of a legend and forged in the dust, mud and snow of rally competition, the All-Wheel Drive Subaru WRX reflects pure performance design.

From the world stage to city streets, the Subaru WRX commands attention with its bold, athletic stance and motorsport-inspired presence. Every sculpted line and aerodynamic curve enhances its striking silhouette, accentuated by the iconic bonnet scoop, sleek rear diffuser, and muscular wheel arches.

In 2025, the Subaru WRX Sedan introduces the eye-catching new Galaxy Purple Pearl colour, bringing a daring edge to an already distinctive design. Seductive LED 'switchback' headlights slice through the night, while the aggressive grille and signature side fenders complete its unmistakable look.

The all-new Subaru WRX AWD tS Spec B takes it even further, with an imposing rear spoiler, 19" matte grey alloy wheels, and red contrast stitching on the dash, underlining its pure performance pedigree.

Bold yet refined. Muscular yet agile. The All-Wheel Drive Subaru WRX design goes beyond looks, delivering engineered aerodynamic performance and enhanced stability. Every detail draws you in with a single purpose, the desire to experience the most exhilarating drive of your life.

Dialled to 11

Infotainment and technology in the All-Wheel Drive Subaru WRX have been dialled to 11, delivering an immersive experience to match its thrilling performance. Inside, a sophisticated infotainment setup includes an 11.6" tablet-style touchscreen, wireless Apple CarPlay[®] and Android Auto[™] 1, digital radio (DAB+) 2, and Bluetooth[®] 3 wireless tech.

For the first time, all tS variants feature a 12.3" digital LCD instrument cluster with three display modes for key performance data. Premium touches elevate every drive with heated front seats 4 (RECARO[®] on WRX tS variants), power-adjustable seating 4, a Harman Kardon[®] 5 10-speaker system, dual-zone climate control, and generous Sportswagon cargo space with a hands-free powered tailgate 6.

Every detail reflects the Subaru WRX's performance DNA, taut, potent and emphatic.

Subaru WRX AWD tS

OUTSTANDING CONNECTIVITY

11.6" tablet-style touchscreen, Wireless Apple CarPlay[®] and Android Auto[™] connectivity 1, digital radio (DAB+) 2, and Bluetooth[®] 3 wireless technology.

Subaru WRX AWD tS

FULL LCD INSTRUMENT CLUSTER

Fully digital 12.3" LCD instrument cluster with three selectable display modes, exclusive to all tS variants.

Subaru WRX AWD tS

HARMAN KARDON[®] 5 SPEAKERS

Harman Kardon[®] 5 speakers with amplifier, standard on Subaru WRX AWD RS, WRX AWD tS, WRX AWD tS Spec B, and all WRX Sportswagon variants.

Subaru WRX AWD tS Spec B

RECARO[®] FRONT SEATS

RECARO[®] front seats and Ultrasuede[®] seat trim with leather-look accents feature on all Subaru WRX AWD tS variants, including the all-new WRX AWD tS Spec B.

1. Compatible Apple[®] or Android[™] device required. 2. Digital radio reception not available in all areas. 3. Bluetooth[®] is a registered trademark of Bluetooth SIG Inc. System operation ability is subject to the Bluetooth[®] wireless technology specification of individual phones. 4. Heated and powered front seats not available on Subaru WRX AWD manual, WRX AWD Sport Lineartronic[™], or WRX Sportswagon AWD. On WRX AWD RS and WRX Sportswagon AWD GT variants, both driver and front passenger seats are powered. On WRX tS variants, only the driver's seat is powered. 5. Harman Kardon[®] is a registered trademark of HARMAN International Industries, Incorporated. Harman Kardon[®] 10-speaker audio system not available on Subaru WRX AWD manual or WRX AWD Sport Lineartronic[™] variants. 6. Hands-free powered tailgate available on Subaru WRX Sportswagon AWD GT and WRX Sportswagon AWD tS.

Subaru WRX AWD RS manual

Subaru WRX AWD RS

License for thrills

Built on three decades of innovation, the ascent from rally champion to street hero is complete with the Symmetrical All-Wheel Drive Subaru WRX.

Game-changing safety technologies help anticipate the unexpected, underpinning supreme driver confidence and control.

Now standard across the range, the latest generation EyeSight® Driver Assist system offers advanced driver assistance technologies designed to help detect vehicles, cyclists and pedestrians. Key features include Lane Centering Function with Adaptive Cruise Control, Speed Sign Recognition with Intelligent Speed Limiter¹, and the all-new Emergency Driving Stop System (EDSS)², which can bring the vehicle to a controlled stop if the driver is unresponsive while Lane Centering is engaged.

Subaru's Vision Assist, also standard, adds Blind Spot Monitoring, Lane Change Assist, Rear Cross Traffic Alert and Reverse Automatic Braking (RAB)³ for added reassurance.

Further peace of mind comes from Subaru's Driver Monitoring System⁴, which helps tackle fatigue and distraction by monitoring the driver's attention and issuing timely alerts.

Eight SRS⁵ airbags, including a front passenger seat cushion airbag, provide added protection and confidence, wherever the journey takes you.

1. Speed Sign Recognition and Intelligent Speed Limiter available on Sport Lineartronic® variants only. 2. Emergency Driving Stop System (EDSS) operates only when Lane Centering Function is engaged. Refer to Owner's Manual for full details. 3. Reverse Automatic Braking (RAB) available on Sport Lineartronic® variants. 4. Driver Monitoring System (DMS) performance and capability dependent on environmental and technical conditions. Refer to Owner's Manual for full details. 5. SRS: Supplemental Restraint System. Effective when used in conjunction with seatbelts.

Heart and soul

When fine-tuning every element of the Subaru WRX's dynamic attitude, some things remain untouchable.

Horizontally-opposed Boxer engine

The heart and soul of Subaru WRX lies in the intersection of two irreplaceable forces, its iconic 2.4-litre turbocharged horizontally-opposed Boxer engine and Symmetrical All-Wheel Drive system. Designed to sit lower and flatter in the engine bay than traditional engines, the Boxer engine helps reduce noise and vibration in the cabin, while its low centre of gravity improves stability, cornering, and traction.

Paired with Subaru's legendary Symmetrical All-Wheel Drive system, this configuration delivers outstanding balance and control. The result is exceptional grip, twice that of conventional two-wheel drive vehicles, ensuring confident handling and superior traction across all kinds of road conditions.

Engineered on the highly rigid Subaru Global Platform, the Subaru WRX takes driving confidence to the next level with a finely tuned suspension system, dynamic stability control, and advanced braking technologies. Combined with Subaru's motorsport heritage, the Subaru WRX delivers a pure, connected, and exhilarating drive every time you get behind the wheel.

 Safety and performance are built into the very core of Subaru WRX, learn more about the advanced engineering at www.subaru.com.au/safety-active

Protecting you and your passengers throughout every moment of your journey always has been, and always will be, at the heart of everything Subaru does. Subaru strives to create innovative cars that protect you and your loved ones, whether they're in or outside the car.

Towards zero fatal road accidents by 2030¹

It's a philosophy that started with Subaru's first mass produced vehicle and saw Subaru achieve a number of world safety firsts.

Now, Subaru is proud to introduce its most important safety vision yet - working towards zero fatal road accidents in a Subaru vehicle by the year 2030¹. A vision underpinned by the four vital safety pillars of Primary, Active, Preventative and Protective safety that work together to achieve Subaru's 'All-Around' approach to automotive manufacturing. By combining holistic design principles and advanced safety technologies with cutting-edge future innovations, Subaru WRX aims to provide inherent safety and peace of mind, so you can experience a new generation of exhilaration.

 Road user safety is expressed in the design of countless Subaru innovations www.subaru.com.au/safety

1. Subaru Corporation (the Japanese manufacturer of Subaru cars) has publicly stated its aim to reduce the number of fatal accidents in a Subaru vehicle to zero by 2030 as well as the number of fatalities among pedestrians, cyclists and the like as a result of a collision with a Subaru vehicle. For more information on Subaru Corporation's CSR initiatives visit www.subaru.co.jp/en/outline/about/zeroaccident/

The latest generation EyeSight® Driver Assist system, with advanced functionality and collision avoidance features, enhances safety and driver confidence across the Subaru WRX range.

EyeSight® Driver Assist

Second pair of eyes

The latest generation EyeSight® Driver Assist system is a world-renowned Preventative safety system. Operating like an ever-watchful second pair of eyes, EyeSight® provides warnings, plus braking and steering assistance, designed to help reduce driver burden, prevent accidents, and save lives.

Now standard across the entire Subaru WRX range, EyeSight® features state-of-the-art stereo colour cameras, helping with the detection of vehicles, cyclists and pedestrians.

The 2025 Subaru WRX introduces the all-new Emergency Driving Stop System (EDSS)¹, which can bring the vehicle to a controlled stop and activate hazard lights if the system detects the driver is unresponsive while Lane Centering is engaged. EyeSight® continues to offer key driver assist features including Lane Centering Function with Adaptive Cruise Control, Speed Sign Recognition with Intelligent Speed Limiter², Autonomous Emergency Steering, and Emergency Lane Keep Assist, designed to support safer driving and greater peace of mind.

Other key functions include Lane Departure Warning, Lead Vehicle Start Alert, Lane Sway Warning, Pre-Collision Braking System, and Lane Departure Prevention².

You'll look at safety with new eyes when you learn more about Subaru's advancements at www.subaru.com.au/safety-preventative

1. Emergency Driving Stop System (EDSS) operates only when Lane Centering Function is engaged. Refer to Owner's Manual for full details. 2. Speed Sign Recognition, Intelligent Speed Limiter, available on Sport Lineartronic® variants only.

Subaru WRX AWD RS & WRX Sportswagon AWD tS

A smart driving companion to have on your side, Subaru's Vision Assist uses radar and camera technology to detect vehicles and obstacles you might not see. Standard across the Subaru WRX range, Vision Assist adds another layer of driver confidence. When combined with EyeSight® Driver Assist, it empowers drivers with a sixth sense to support preventative safety.

Vision Assist

EyeSight® Driver Assist

All knowing, all seeing

Subaru's Vision Assist system gives drivers greater awareness of the world around them. Standard across the Subaru WRX range, it uses radar and camera technology to detect vehicles and obstacles in your blind spots, helping you stay more aware of your surroundings.

Blind Spot Monitoring uses rear sensors to help make lane changes safer by warning of vehicles detected in the blind spot. Rear Cross Traffic Alert helps warn the driver when another vehicle is detected approaching from the side when reversing out of a car space. Reverse Automatic Braking (RAB)¹, available on selected variants, triggers a warning to alert the driver of a detected obstacle and can apply the brakes if the driver doesn't react first.

When changing lanes, Lane Change Assist radar sensors are designed to detect fast-approaching vehicles and warn the driver of their presence. On selected variants, the Front View Monitor² provides a camera view of the area immediately in front of the vehicle to help avoid damage when parking. Meanwhile, the Side View Monitor² uses a camera mounted to the passenger-side door mirror to assist with perfect parallel parking.

 Read more about the way Subaru's Vision Assist innovations are keeping Subaru owners safe at www.subaru.com.au/safety-preventative

1. Reverse Automatic Braking (RAB) available on Sport Lineartronic® variants only. 2. Front View Monitor and Side View Monitor not available on Subaru WRX AWD manual or Sport Lineartronic® & WRX Sportswagon AWD.

Subaru tackles driver distraction and fatigue with its Driver Monitoring System (DMS)¹, now standard across the Subaru WRX range. Using facial recognition, DMS¹ helps keep the driver focused and enhances personal comfort by remembering key settings for up to five drivers.

Driver Monitoring System¹

Always alert

No matter how exhilarating the drive, Subaru recognises that driver distraction and fatigue can occur. That's why Subaru's Driver Monitoring System (DMS)¹ is designed to offer an extra layer of preventative safety and personalised convenience.

Now standard across the Subaru WRX range, DMS¹ uses near-infrared LEDs and a dedicated camera to monitor the driver's attention. If it detects signs of drowsiness or distraction, it issues an alert to help the driver stay focused on the road.

The intelligent system also uses facial recognition technology to identify up to five separate drivers. Depending on the variant, DMS¹ can automatically recall each driver's preferences, including climate control settings, Multi-Information Display (MID) screen, and on selected variants, driver's seat and door mirror positions². On Subaru WRX tS variants, DMS¹ can also recall the personalised Drive Mode Select settings, allowing you to enjoy a more tailored driving experience every time you take the wheel.

Learn how the DMS watches out for signs of driver distraction at www.subaru.com.au/safety-preventative

1. Driver Monitoring System performance and capability are dependent on environmental and technical conditions. Refer to Owner's Manual for full details. 2. Auto driver seat and door mirror position adjustment available on Subaru WRX AWD RS Sport Lineartronic®, WRX AWD tS Sport Lineartronic®, WRX Sportswagon AWD GT & WRX Sportswagon AWD tS.

Peace of mind protection

It has always been Subaru's purpose to design vehicles with a crucial advantage in road safety and occupant protection. While Towards Zero fatal road accidents in a Subaru vehicle by the year 2030¹ represents Subaru's ambitious future target, decades of astute observation, structural development and design research has informed the remarkable safety advances built into the Subaru WRX.

The SGP and ring-shaped passenger safety cell absorb and direct impact force around the cabin, rather than through it.

An overwhelming feeling of protection is underpinned by Subaru WRX's carefully engineered body structure and Subaru Global Platform (SGP), including the ring-shaped passenger safety cell. The ring-shaped passenger safety cell that cocoons occupants has been designed to absorb and direct the impact of a collision around the cabin, rather than through it. Meanwhile, the symmetrical layout of the All-Wheel Drive system and horizontally-opposed Boxer engine is designed to allow the engine to 'submarine' under the floor during a severe frontal collision – protecting the cabin's occupants.

In addition, the chassis structure has been engineered to include crushable zones, absorbing collision energy to effectively protect passengers. While Subaru can't control every variable on the road, the inclusion of eight SRS² airbags in the Subaru WRX, including the front passenger seat cushion airbag, can help reduce the possibility of serious injury in the event of a serious accident.

Discover more reasons why Subaru WRX gives you peace of mind protection at www.subaru.com.au/safety

1. Subaru Corporation (the Japanese manufacturer of Subaru cars) has publicly stated its aim to reduce the number of fatal accidents in a Subaru vehicle to zero by 2030 as well as the number of fatalities among pedestrians, cyclists and the like as a result of a collision with a Subaru vehicle. For more information on Subaru Corporation's CSR initiatives visit www.subaru.co.jp/en/outline/about/zeroaccident/. 2. SRS: Supplemental Restraint System. Effective when used in conjunction with seatbelts.

Designated crumple zones direct impact energy away from the passenger safety cell, while the Boxer engine is designed to slide below the cabin in a severe frontal collision.

Augment your reality

The powerfully seductive All-Wheel Drive Subaru WRX is sophisticated and aggressively bold. Bring its physicality to the fore with purpose-built Genuine Subaru Accessories, each precision-engineered to complement the Subaru WRX's muscular profile and rally-bred spirit.

From individual styling and performance accessories that celebrate the raw origins of Subaru WRX, to bespoke protection options and co-ordinated Accessory Packs, there's an accessory to suit every driver. Factory-approved and covered by Subaru's Parts and Accessories warranty¹, these accessories are designed to enhance your Subaru WRX experience, whether you're chasing dynamic flair or added functionality.

 View full accessory range at
www.subaru.com.au/wrx/accessories

1. For full terms and conditions, visit www.subaru.com.au/accessories-information. Genuine Subaru Accessories are covered by Subaru's manufacturer's warranty when fitted at time of new vehicle purchase or by an authorised Subaru Retailer.

Subaru WRX Sportswagon AWD tS & WRX AWD RS with optional styling packs fitted.

Unleash your WRX style

Turbocharge your Subaru WRX Sedan with one of the race-bred Styling Packs. Designed for performance enthusiasts, these optional packs add sophisticated flair from bonnet to boot, helping you stand out on every road.

In addition to complete Styling Packs, you can choose from a range of Genuine Subaru Accessories to enhance and protect your Subaru WRX. From distinctive floor mats and STI-inspired finishes, to premium protection options, there's something for every WRX driver looking to elevate their experience.

The Subaru WRX range at a glance

The rally-bred All-Wheel Drive Subaru WRX range is unique, formidable and uncompromising. See the following pages for the full list of specifications and standard features or visit www.subaru.com.au/wrx

Standard across the range

- + Symmetrical All-Wheel Drive
- + 2.4-litre turbocharged horizontally-opposed direct injection Boxer 4-cylinder, petrol engine
- + Vehicle Dynamics Control system
- + Subaru's Vision Assist
- + 11.6" tablet-like infotainment screen LCD touchscreen
- + Wireless Apple CarPlay® and Android Auto™ connectivity¹
- + SRS² airbags - dual front, dual front side, dual curtain, driver's knee and front passenger seat cushion

SUBARU WRX AWD (6-speed manual)

SUBARU WRX AWD RS (6-speed manual)

SUBARU WRX AWD tS SPEC B (6-speed manual)

1. Compatible Apple® or Android™ device required. 2. SRS: Supplemental Restraint System. Effective when used in conjunction with seatbelts. 3. Harman Kardon® is a registered trademark of HARMAN International Industries, Incorporated.

- + Rear view reverse camera
- + Driver Monitoring System (DMS)⁴
- + *Bluetooth*^{®5} wireless technology
- + Headlights - Steering Responsive Headlights (SRH), self-levelling LED with auto off and dusk-sensing

- + Immobiliser security system
- + Eyesight[®] Driver Assist - Including NEW Emergency Driving Stop System (EDSS)⁶
- + Smart key and push-start ignition
- + Tyre Pressure Monitoring System

- + Front and rear stabiliser
- + Power-folding door mirrors
- + Rear spoiler
- + Shark fin antenna
- + Side sill skirts

- + Sports pedals
- + Rain-sensing front windscreen wipers
- + Voice command recognition

SUBARU WRX AWD (Sport Lineartronic[®])

- 
- + Leather steering wheel with WRX logo
 - + Sports bucket seats - driver and front passenger
 - + 18" alloy wheels
 - + 6 speakers
 - + Air-conditioning - dual zone climate control and rear passenger air vents
 - + Seat trim - cloth

SUBARU WRX AWD RS (Sport Lineartronic[®])

- 
- + Satellite navigation
 - + Electric sunroof
 - + Seat trim - Ultrasuede[®]
 - + Heated seats - front and rear outboard
 - + 10 Harman Kardon^{®3} speakers, subwoofer and amplifier
 - + 8-way power seat - driver (with dual memory) and front passenger

4. Driver Monitoring System performance and capability dependent on environmental and technical conditions. Refer to Owner's Manual for full details. 5. *Bluetooth*[®] is a registered trademark of Bluetooth SIG Inc. System operation ability is subject to the *Bluetooth*[®] wireless technology specification of individual's phone. 6. Emergency Driving Stop System (EDSS) operates only when Lane Centering Function is engaged. Refer to Owner's Manual for full details.

1. Model year 2025 specifications and features. Subaru (Aust) Pty Limited reserves the right to change mechanical specification and equipment levels without notice. 2. Digital radio reception not available in all areas. 3. Compatible Apple[®] or Android[™] device required. 4. Harman Kardon[®] is a registered trademark of HARMAN International Industries, Incorporated. 5. *Bluetooth*[®] is a registered trademark of Bluetooth SIG Inc. System functionality is subject to the *Bluetooth*[®] wireless technology specification of individual device. 6. There may be restrictions on features available for certain models that are not fully compliant with AVCRP. 7. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit www.subaru.com.au/owners/warranty. 8. Every eligible Model Year 2025 onward Subaru WRX and WRX Sportswagon comes with Subaru's 5 Year/75,000 Km Capped Price Servicing Program. Available at participating Subaru Retailers only and does not apply to rental and some other classes of vehicles. For full Capped Price Servicing Terms and Conditions, visit www.subaru.com.au/service/pricing/capped-price-servicing. 9. 12 month Club Membership and Roadside Assistance Offer is standard upon activation with the relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 month Club Membership and Roadside Assistance Offer at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru and have less than 5 vehicles under the Club Membership offer. Customers must provide a valid phone number and residential address, as well as date of birth. Fleet, Government and Rental companies are excluded. Terms and conditions apply. For more information, visit www.subaru.com.au/roadside-assistance-program.

Welcome to the family

There are cars that simply get you from A to B, and then there are cars that empower you. Buying a Subaru is like embracing life with both hands and knowing that nothing is going to stop you. When you buy a new Subaru you are welcomed into an owner's program that gives you access to a number of benefits.

SUBARU NEW CAR WARRANTY - 5 YEAR/UNLIMITED KILOMETRES¹

Every new Subaru purchased for private use is covered by a 5 Year/Unlimited Km manufacturer's national warranty. Visit www.subaru.com.au/owners/warranty or ask your Subaru Retailer for more information.

SUBARU CAPPED PRICE SERVICING²

With our 5 Year/75,000 Km Capped Price Servicing Program, you'll now know the maximum amount you will have to pay for your next scheduled service during the Program period. You'll also have peace of mind knowing that specialist Subaru technicians will be looking after your pride and joy using only Genuine Subaru Parts. For more information on our Capped Price Service Program visit: www.subaru.com.au/service/pricing/capped-price-servicing

1 MONTH HEALTH CHECK AND CHAT

The 1 Month Health Check and Chat is a free consultation within the first month after delivery of your new Subaru. It allows our factory-trained technicians to provide quick vehicle checks, and one of our Service Advisors will answer any of your questions to help ensure an ongoing, worry-free experience.

SUBARU'S MAP UPDATES³

If your new Subaru is fitted with a factory line fit navigation unit, your unit will be covered by Subaru's Map Update Program - guaranteeing you'll have access to the latest maps for the first 3 years of ownership.

1. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit www.subaru.com.au/owners/warranty. 2. Every eligible Model year 2025 onward Subaru WRX comes with Subaru's 5 Year/75,000 Km Capped Price Servicing Program. Available at participating Subaru Retailers only and does not apply to rental and some other classes of vehicles. For full Capped Price Servicing Terms and Conditions visit www.subaru.com.au/service/pricing/capped-price-servicing. 3. Subaru's Map Update Program is available on 2024 Subaru WRX models purchased new with the factory line fit Gen4.0 navigation unit. Subaru's Map Update Program is not available on accessory fit or dealer sourced navigation units. For full terms and conditions of the Subaru Map Update Program visit www.subaru.com.au/servicing/subaru-map-update-program.

SUBARU ROADSIDE ASSISTANCE¹

Enjoy 12 months of Australia-wide, standard Roadside Assistance when you purchase your new Subaru. In the unfortunate situation where you need that extra helping hand, Roadside Assistance will help with arranging a tow, battery service, flat tyre service, fuel delivery and lockout service.

SUBARU CERTIFIED COLLISION REPAIRER NETWORK²

With a dedicated Subaru Certified Collision Repairer helpline available on 1800 737 179, help is available when you need it most. Available 24-hours a day, 7 days a week, help is only a phone call away. Subaru Certified Collision Repairers guarantee that trained specialists will repair your Subaru to strict factory specifications using Genuine Subaru Parts.

GENUINE ACCESSORIES

Genuine Subaru Accessories are designed to enhance your vehicle, help you get more stuff done and have more fun! Our genuine accessories are factory approved by Subaru and are protected by the Genuine Subaru Accessories Warranty. For our full range of Subaru WRX accessories visit www.subaru.com.au/wrx/accessories. For more information on Genuine Subaru Accessories, visit www.subaru.com.au/accessories-information.

SUBARU INSURANCE³

It's important to enjoy the freedom of owning a Subaru, but it's also important to protect it. Subaru Premier Motor Vehicle Insurance is designed to protect your Subaru and your investment in it.

SUBARU CERTIFIED USED CARS

Looking for a high quality used Subaru? Check out our range of Certified Used cars at www.subaru.com.au/used. Available from participating Subaru Certified Used Car Retailers.

AFFORDABLE OWNERSHIP

Enjoy being on the road for longer, for less with 12 months/15,000kms service intervals and 5 Year/Unlimited Km Warranty⁴. The Subaru WRX is not only affordable to run but allows you the freedom to enjoy where the fun takes you.

SUBARU FINANCIAL SERVICES⁵

When you fall in love and know it's the one, you don't want to wait. So why should you?

Subaru Financial Services brings you and your Subaru together, faster. It's like a Vegas wedding, with a bit more class and a lot better with numbers. And the only thing better than your new Subaru, is your next one. So we work hard to make upgrading into a newer Subaru more often, part of the process. It's a lifelong love affair - we get it. Available at participating Subaru Financial Services Retailers.

1. 12 month Club Membership and Roadside Assistance Offer is standard upon activation with the relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 month Club Membership and Roadside Assistance Offer at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru and have less than 5 vehicles under the Club Membership offer. Customers must provide a valid phone number and residential address, as well as date of birth. Fleet, Government and Rental companies are excluded. Terms and conditions apply. For more information, visit www.subaru.com.au/roadside-assistance-program. 2. Subaru Certified Collision Repairer network not available in all areas. Call 1800 737 179 or visit www.subaru.com.au/retailers to find your closest Subaru Certified Collision Repairer. 3. Subaru Insurance products are issued by Allianz Australia Insurance Limited AFS Licence No. 234 708 ABN 15 000 122 850 (Allianz). In arranging this insurance Subaru (Aust) Pty Limited ABN 95 000 312 792 (Subaru) and the authorised dealers act as agents of Allianz and not as your agent. Neither Subaru nor any of its related companies or appointed authorised Retailers have any liability in respect of these policies. 4. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit www.subaru.com.au/owners/warranty. 5. Finance to approved applicants only. Credit criteria, fees, charges and T&Cs apply. Finance is provided by IFSA Pty Ltd ABN 39 651 319 774 trading as Subaru Financial Services, managed by Allied Retail Finance Pty Ltd ABN 31 609 859 985 Australian Credit Licence 483211.
